- The keys of a keyboard are used for typing.
- A mouse is used to select items shown on the monitor.
- A printer prints pictures or letters on paper.
- Speakers give out sounds and a Microphone records sound.
- Webcam is a camera that shows pic on the monitor.
- In a laptop, most of its parts are connected to the device.

Camera

Touchpad

Think : It is very cold. What will be of help?

Heater

Fan

Think : In summer, the villagers are sweating.
What type of dress will be good for them?

Light Clothes

Sweater

CHAPTER 5

INTRODUCTION TO LOGIC

Whenever there is any action, there is a reason behind it. Let us look at some actions that take place in our life. Think and reply.

Group 1. Make the correct choice for the following –

Think : It is going to rain. What should you take with you?

Sunglass ☐

Raincoat ☐

Q2. Saina forgot to fill some alphabets in the names of the parts of the computer. Complete the words.

M ..... U ..... E

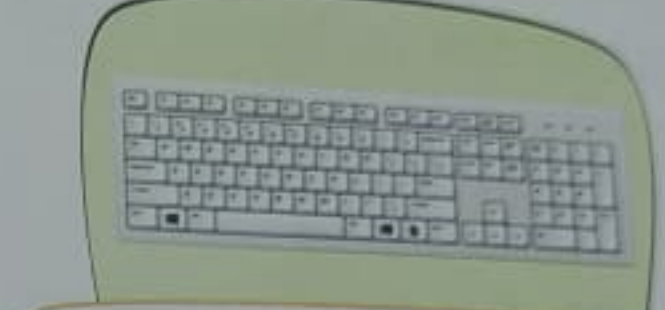

M ..... N ..... T ..... R

..... P ..... A ..... E .....

P ..... I ..... T ..... R

..... E ..... B ..... A ..... D

Q3. Aasif has a computer in which the wires connecting the parts to the CPU got tangled. Find out which wire is connected to which part.

Think : Junaid got late for office. What will help in reaching fast?

Bike

Cycle

Think : Razin is a football player. He has a match coming up. What will he wear ?

Slippers

Sneaker

Think : Mugdha wants to paint a picture on paper.
What will she use?

A Brush

A Spoon

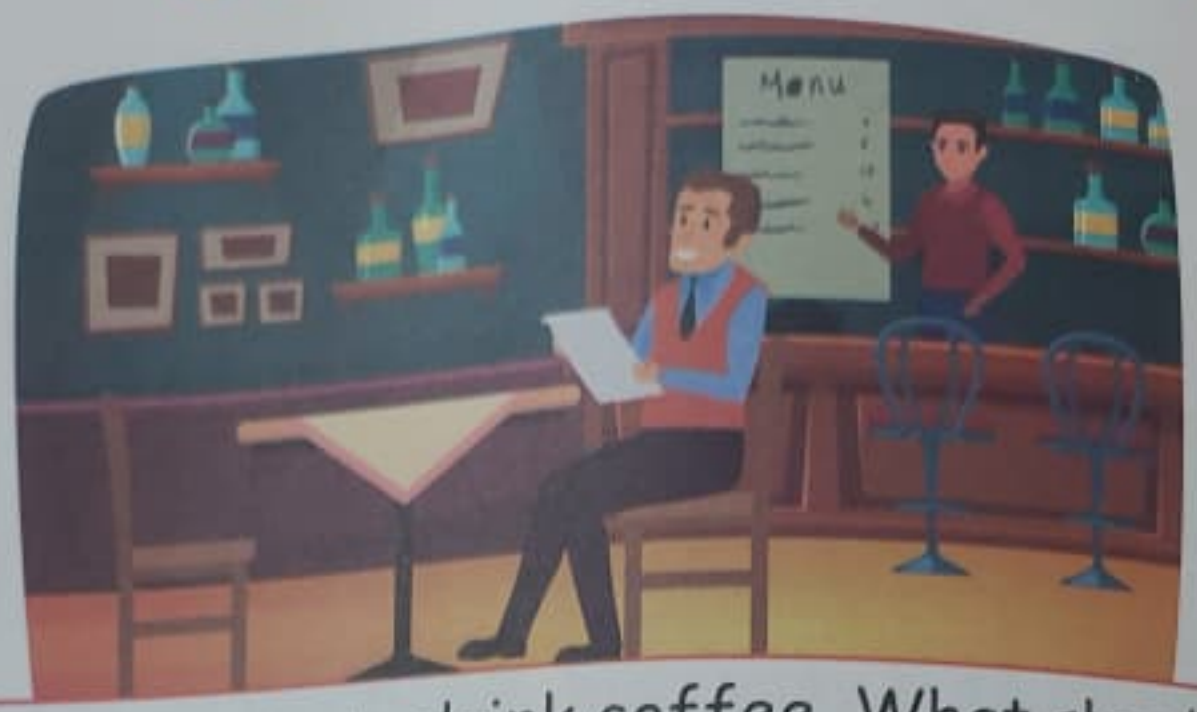

Think : Maniya went to visit a hill station in winter.
What will she love to have ?

Hot Chocolate

Ice Cream

Think : Shafiqul wants to drink coffee. What should he use?

Dish

Cup

Think : Naasir wants to learn cricket. What should he buy?

Racket

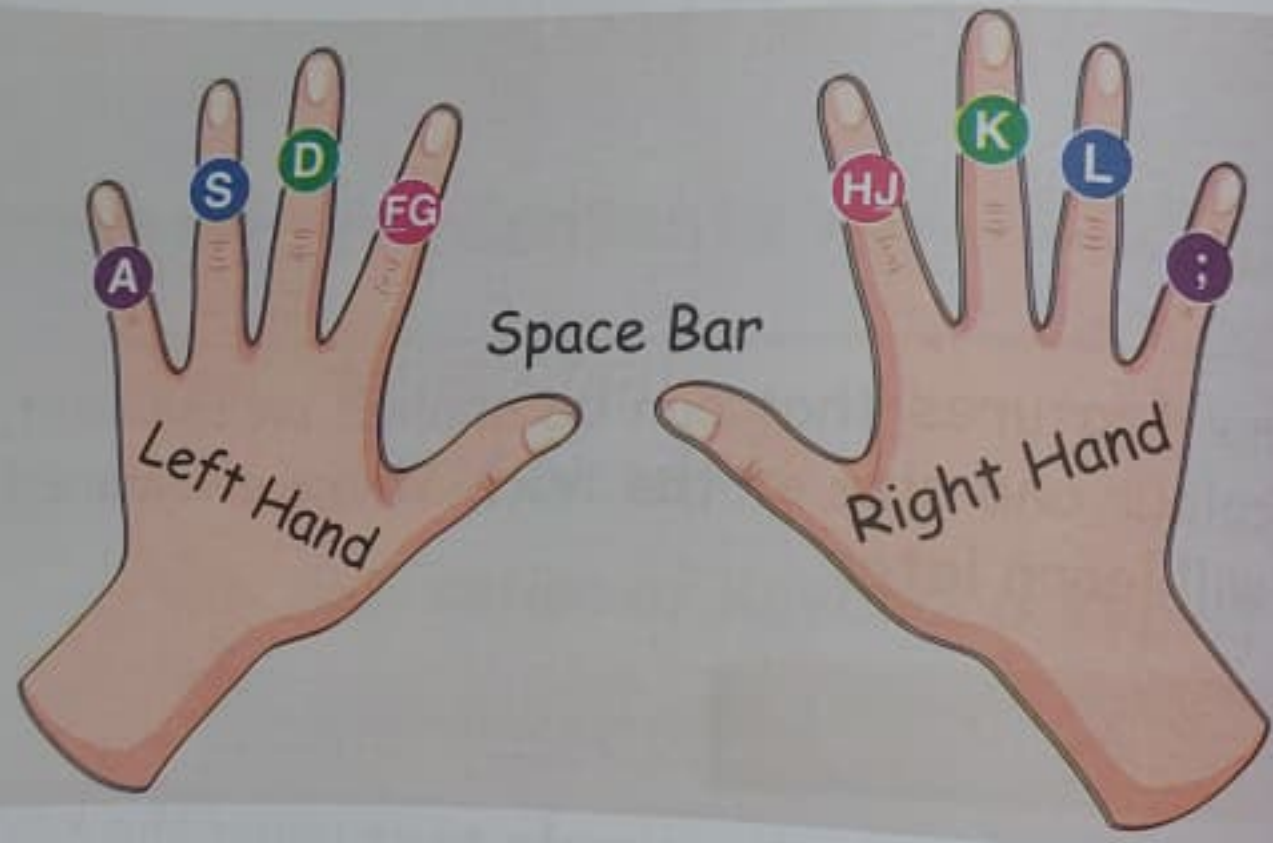

Bat

To learn the QWERTY keyboard, one should learn the keyboard fingers. One should not look at the keyboard while typing. In the following lessons, the keyboard keys are shown and the given text should be typed by looking at the alphabets given in the image in the pages.

LESSON I

Keep Left Hand Fingers On Letters A S D F

Keep Right Hand Fingers On Letters J K L ;

Type the following the given number of times –

Text	Num of times	Text	Num of times
FDSA	5	JKL;	5
ASDFG	7	;LKJH	7
SAFD	5	KLKJ	5
DSFAG	7	JKHKLK;K	7
GADAFASA	5	JHKHLH;H	5
AGAFADAS	5	HKHLHJH;	5
DSDADFDG	5	KLJ;HL;K;	5

LESSON
