Singapore School Kinderland

Primary 2 · IT · Term Plan · Term 2

	Ch 2B: Keyboard & Notepad (Pg 18-26)		Ch 3: Windows 10 O/S (Pg 27-38)				Ch 4: Algorithm (Pg 39-48)		Ch 2B & 3 Review & Practice		Ch 4 Review & Practice		Term Review		Exam
	Wk 1		Wk 2		Wk 3		Wk 4		Wk 5		Wk 6		Wk 7		Wk 8
	Lesson Objective	Content	Lesson Objective	Content	Lesson Objective	Content	Lesson Objective	Content	Lesson Objective	Content	Lesson Objective	Content	Lesson Objective	Content	
Day 1	St will identify Keyboard keys: Alphabet keys (26, A-Z), Number keys (0-9), and special keys (Spacebar, Enter, Backspace, Delete).	TB Pg 18-20 2B.1 Keys of Keyboard	St will learn how to open Notepad, identify Title bar, Menu bar, Text area, type simple sentences, and save .txt files.	TB Pg 23-26 2B.3 Intro to Notepad Lab Typing & Save	St will learn customizing Desktop: changing Wallpaper, Screen Saver, and arranging desktop icons in order.	TB Pg 31-34 3.2 Wallpaper & Screen Saver Lab Practice	St will define Algorithm as step-by-step instructions to solve a problem and examine daily life algorithms (Making Tea, Brushing Teeth).	TB Pg 39-43 4.1 What is Algorithm? Daily Algorithms	St will complete Ch 2B Review (Keyboard keys, Notepad components, shortcuts, and typing exercises).	WS Pg 1 Ch2B Review Q1 Fill Blanks Q2 Key Functions	St will write step-by-step algorithms for simple daily activities and identify incorrect sequence errors.	WS Pg 3 Ch4 Review Q5 Sequence Steps Q6 Fix Errors	St will revise all Ch 2B, Ch 3 & Ch 4 concepts through classroom group discussion, quiz, and practical lab demo.	WS All Ch2B, Ch3 & Ch4 Full Review Activity	Term Exam
Day 2	St will explore Caps Lock key and Shift key for typing symbols and capital letters with hands-on typing practice.	TB Pg 21-22 2B.2 Caps Lock & Shift WS Key Identification	St will define Operating System as an interface, explore Windows 10 GUI, Desktop, Taskbar, Start button, and Icons.	TB Pg 27-30 3.1 Windows 10 Desktop & Taskbar WS Label GUI	St will differentiate File vs Folder, create a new folder on Desktop, rename folders, and use Recycle Bin.	TB Pg 35-38 3.3 Managing Files & Folders WS File/Folder Task	St will arrange algorithm steps in correct sequential order (Packing School Bag, Sharpening Pencil, Adding two numbers).	TB Pg 44-48 4.2 Step Sequencing WS Algorithm Sequencing	St will complete Ch 3 Review (Windows 10 components, File/Folder definitions, True/False, and matching).	WS Pg 2 Ch3 Review Q3 Match GUI Q4 T/F Statements	St will practice matching algorithms to their final outcomes and writing short steps for computer operations.	WS Pg 4 Ch4 Review Q7 Match Outcomes Q8 Write Steps	St will complete the term revision worksheet covering all question patterns from all three chapters.	WS Comprehensive Term Revision Worksheet	Results & Feedback
