SINGAPORE SCHOOL KINDERLAND

Department of Information Technology & Computer Science • Primary Section

PRIMARY 3 IT TERM 2 STUDY WORKBOOK (MASTER ANSWER KEY)

■ **Prescribed Curriculum Coverage:**
• **Chapter 4: E-Commerce** (Concepts, Stories, Advantages & Disadvantages for Buyers and Sellers)
• **Fun Set & Digital Safety** (Cyber Ethics, Image Connect, Word Search, Spy Detective Sentences)
• **Chapter 5A: MS Word — Editing and Formatting** (Window Components, Font Group, Alignments, Line Spacing, Delete vs Backspace, Shortcuts, Practical Projects)
• **Grand Review Assessment** (20-Point Multi-topic Quiz & Certificate of Completion)

STUDENT PROFILE & ENROLMENT CARD	**Academic Year:** 2026–2027
Student's Full Name: _____	**Grade / Level:** Primary 3
Roll Number: _____ **Section / House:** _____	**Subject:** Information Technology
Teacher's Name: _____	**Term:** Term 2
Parent's Contact: _____	**Issue Date:** October 2026

■ **Welcome, Primary 3 Computer Explorers!**
Welcome to your Term 2 IT Workbook! In this term, you will learn how **E-Commerce** connects shoppers and business owners worldwide, master **Digital Safety** to protect yourself online, and become an expert in **MS Word**! Every page is packed with fun lessons, pictures, and practice quests. Aim for 5 stars! ■■■■■

Unit	Lesson Topic	Page
Unit 1	Chapter 4: E-Commerce (What is E-Commerce? Goods & Services)	Page 2
Unit 1	Chapter 4: Real-Life Stories (Madeeha's Kitchen & Delivery Hero)	Page 3
Unit 1	Chapter 4: Real-Life Stories (Nilofer's Shopping & Huzefa's Storm)	Page 4
Unit 1	Chapter 4: Real-Life Stories (Younus's Eid Sherwani & Card Fraud)	Page 5
Unit 1	Chapter 4: Big Advantages for Buyers & Sellers	Page 6
Unit 1	Chapter 4: Disadvantages & Risks in Online Shopping	Page 7
Unit 1	Chapter 4: Mind Map, Quiz & Crossword Challenge	Page 8
Unit 2	Fun Set: Cyber Ethics, Image Connections & Word Search	Page 9
Unit 2	Fun Set: Spy Detective — Help Saaira Fix the Mistakes	Page 10
Unit 3	Chapter 5A: MS Word Window Components	Page 11
Unit 3	Chapter 5A: Formatting vs. Editing (The Big Difference)	Page 12
Unit 3	Chapter 5A: Font Group Tools, Alignment & Line Spacing	Page 13
Unit 3	Chapter 5A: Delete vs. Backspace & Keyboard Shortcuts	Page 14
Unit 3	Chapter 5A: Practical Lab Projects (Rajshahi & Sajek Valley)	Page 15
Unit 4	Term 2 Grand Assessment, Evaluation & Junior IT Certificate	Page 16

■ CHAPTER 4: E-COMMERCE • LESSON 1: WHAT IS E-COMMERCE? (Page 41)

■ **Topic 4.1 Key Concept:**
• **E-Commerce (Electronic Commerce)** is the process of buying and selling items and services over the Internet.
• It simply means **doing business using the Internet**. People can buy goods (toys, clothes, books) or order services (electricians, home cleaning) from home.

═■ WORK TO DO 1: E-Commerce or Traditional Shopping?

1. Traveling by rickshaw to the local bazaar to buy fresh vegetables:	**Traditional Shopping**
2. Using a smartphone app to order a birthday storybook from home:	**E-Commerce**
3. Visiting a furniture showroom and paying physical cash at counter:	**Traditional Shopping**
4. Booking a home electrician online to fix a broken ceiling fan:	**E-Commerce**
5. Ordering school shoes online and getting them delivered to doorstep:	**E-Commerce**
6. Standing in a long line at a stationery shop to buy pencils and erasers:	**Traditional Shopping**

═■ WORK TO DO 2: Fill in the Blanks with Word Bank

Word Bank: [Internet • Services • E-Commerce • Business • Home]

1. Buying and selling goods over the Internet is called:	**E-Commerce**
2. E-Commerce allows people to do _____ using computers:	**Business**
3. Online shoppers can order both physical goods and home _____ :	**Services**
4. Many busy people prefer sitting at _____ and ordering items:	**Home**
5. Without an active _____ connection, E-Commerce cannot work:	**Internet**

═■ WORK TO DO 3: Quick Explorer Check (Write in complete sentences)

Name two household services people can order online, and explain why it is convenient:

Model Answer / Key: Home cleaning and electrician services; it saves travel time and brings skilled help directly home.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Teacher's Check: [ ] Completed [ ] Good Effort [ ] Excellent ■■■

Teacher's Sign: _____ Date: _____

■ CHAPTER 4: E-COMMERCE • LESSON 2: REAL-LIFE STORIES (PART 1) (Pages 42–43)

■ Topic 4.2 Concepts — Solutions & Job Opportunities:
Online shopping opens a big box of solutions! It allows talented home cooks to start businesses without expensive restaurants, and creates employment for hard-working delivery riders.

■ Story 1: Madeeha's Cloud Kitchen (Textbook Page 42)

Madeeha is a housewife who cooks very delicious food. Her daughter, Maria, opened an online **Cloud Kitchen** in her name. Now Madeeha cooks at home while Maria manages the online orders. She earns good money without needing a costly restaurant shop!

■ Story 2: Boibhav & The Delivery Hero (Textbook Page 43)

It was raining heavily outdoors. Boibhav saw an online delivery person riding a motorcycle in a raincoat with a huge waterproof bag. He was delivering items door-to-door, clean and dry! It is a wonderful job opportunity for people willing to work hard.

═■ WORK TO DO 4: Story Reading Comprehension (Write in complete sentences)

1. What special talent did Madeeha have, and how did her daughter Maria help her?

Model Answer / Key: Madeeha cooks tasty food. Maria opened an online cloud kitchen to receive orders.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

2. What protected the delivery parcels from getting wet in the heavy rain?

Model Answer / Key: A raincoat and a large waterproof bag kept the packages dry and clean.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

3. What positive benefit does delivery service bring to society?

Model Answer / Key: It creates honest job opportunities and income for hard-working people.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

4. Why does a 'Cloud Kitchen' save money compared to a regular restaurant?

Model Answer / Key: It does not require buying or renting an expensive dining hall or physical shop.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

5. How can you be polite and appreciative to delivery riders who bring food to your house?

Model Answer / Key: Say thank you with a warm smile, offer water on hot days, and treat them with respect.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Teacher's Check: [ ] Completed [ ] Good Effort [ ] Excellent ■■■ **Teacher's Sign: _____ Date: _____**

■ CHAPTER 4: E-COMMERCE • LESSON 3: REAL-LIFE STORIES (PART 2) (Page 44)

■ Topic 4.2 Concepts — Convenience vs. Internet Dependency:
E-Commerce helps busy working parents balance their daily chores. However, online sellers are completely dependent on electricity and the Internet! A storm or blackout can stop business entirely.

■ Story 3: Nilofer's Busy Household (Textbook Page 44)

Nilofer works in an office and has two small children at home. She has no time to go to physical markets. She registered on an online grocery store. Now all daily groceries get delivered to her home on time, saving her immense stress! Only that she must be home during arrival.

■ Story 4: Huzefa's Online Store & The Storm (Textbook Page 44)

Huzefa opened an online departmental store doing good business. But during an unexpected storm, his area suffered a 1-week power cut! Without electricity and internet, he couldn't process orders. His customer ratings dropped severely in the online market.

═■ WORK TO DO 5: Cause and Effect Detective (Write in complete sentences)

1. Why couldn't Nilofer go out to physical markets for daily shopping?

Model Answer / Key: She works in an office and manages her home and two small children.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

2. What single rule must Nilofer remember when items are scheduled for arrival?

Model Answer / Key: She cannot leave the house when items are scheduled for delivery.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

3. What disaster caused Huzefa's online store to halt operations?

Model Answer / Key: An unexpected storm that caused a full one-week power blackout.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

4. Why are online stores completely dependent on electricity and Internet?

Model Answer / Key: Without power and connection, orders cannot be received, processed, or tracked.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

5. What backup tools can an online store owner use during unexpected bad weather?

Model Answer / Key: A backup battery generator, uninterrupted power supply (UPS), or mobile 4G hotspot.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Teacher's Check: [ ] Completed [ ] Good Effort [ ] Excellent ■■■ **Teacher's Sign: _____ Date: _____**

■ CHAPTER 4: E-COMMERCE • LESSON 4: CAUTIONS & ONLINE FRAUD (Pages 43 & 45)

■ Topic 4.2 Concepts — Sizing Mistakes & Financial Risks:
Shopping online comes with two serious risks: you cannot try clothes before buying, and financial scams can happen if credit card details are exposed or misused!

■ Story 5: Younus's Eid Sherwani Grief (Textbook Page 43)

Younus is a stylish boy who wanted to dress nicely for Eid. He ordered a beautiful sherwani online. When it arrived, it was much too big! Sadly, he could not wear it for Eid. Even though he could return it, his festive disappointment was painful.

■ Story 6: Tumpa's Grandma's Card Horror (Textbook Page 45)

Tumpa's grandma wanted to gift her a doll on her birthday. She paid online with her credit card. But to her horror, instead of 350 Taka, 35,000 Taka was deducted from her bank account due to online fraud!

═■ WORK TO DO 6: Case Study Analysis (Write your answers below)

1. What problem did Younus face with his online sherwani, and why couldn't he wear it?

Model Answer / Key: The sherwani was bigger in size than expected, so it did not fit him on Eid.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

2. Why is buying clothes online harder than buying storybooks online?

Model Answer / Key: You cannot physically try on clothes or touch the fabric to check its quality.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

3. How much money was supposed to be paid for Tumpa's doll vs stolen by fraud?

Model Answer / Key: 350 Taka was the cost; 35,000 Taka was stolen from the account by online fraudsters.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

4. What should parents and kids do to protect their money when buying things online?

Model Answer / Key: Only shop on verified websites, never share card details, and always ask adults.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

5. What is the safest payment method for families when trying a new online shop?

Model Answer / Key: Cash on Delivery (COD), where you inspect the parcel before paying cash.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Teacher's Check: [ ] Completed [ ] Good Effort [ ] Excellent ■■■ **Teacher's Sign: _____ Date: _____**

■ CHAPTER 4: E-COMMERCE • LESSON 5: THE BIG ADVANTAGES (Page 45)

■ **Topic 4.3 Concepts — Advantages for Buyers & Sellers:**
• **For Buyers:** No need to go to markets; saves transport cost and energy; huge variety on screen; free from seasonal weather (heat/rain).
• **For Sellers:** Reaches nationwide market; no physical unpacking/folding; saves shop rent; great for small artisans, bakers & cloud kitchens.

■■ Advantages for the Buyers	■ Advantages for the Sellers
• No need to travel to crowded physical markets. • Saves transport fare, travel time, and energy. • Browse a huge variety of products anytime. • Completely free from seasonal weather (heat, rain). • Doorstep delivery of heavy items.	• Can reach a much bigger market across the country. • Display items without physically folding & unfolding. • Saves huge money by not renting a physical store. • Free from seasonal weather affecting foot traffic. • Wonderful opportunity for home cooks & small crafters.

═■ WORK TO DO 7: The Sorting Factory — Buyer or Seller Advantage?

1. Saving money on renting or buying a physical shopping outlet:	**Advantage for Seller**
2. Staying safely indoors during heavy monsoon rainfall while shopping:	**Advantage for Buyer**
3. Reaching customers across all cities without opening branches:	**Advantage for Seller**
4. Comparing 50 different toy prices from home in five minutes:	**Advantage for Buyer**
5. Displaying products without constantly dusting and folding clothes:	**Advantage for Seller**
6. Not having to carry heavy bags through traffic jams:	**Advantage for Buyer**

═■ WORK TO DO 8: True or False with Reasoning

1. Small bakers can sell cakes from home using E-Commerce. [T / F]	**True [T] (Cloud kitchens and social commerce)**
2. E-Commerce forces buyers to travel to far-off cities. [T / F]	**False [F] (Items are delivered directly to home)**
3. Online sellers can showcase items to thousands at the same time. [T / F]	**True [T] (Digital catalogs reach unlimited viewers)**
4. Bad weather stops customers from browsing online catalogs. [T / F]	**False [F] (People can browse comfortably from home)**

═■ WORK TO DO 9: Young Entrepreneur Quest (Write your dream plan)

If you started a small online shop from home, what creative item would you sell and why?

Model Answer / Key: Handmade birthday cards, artistic paintings, or home-baked cupcakes because I love art and cooking.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Teacher's Check: [ ] Completed [ ] Good Effort [ ] Excellent ■■■ **Teacher's Sign: _____ Date: _____**

■ CHAPTER 4: E-COMMERCE • LESSON 6: DISADVANTAGES & RISKS (Page 46)

■ Topic 4.4 Concepts — Pitfalls for Buyers & Sellers:
• **For Buyers:** No personal touch; misleading advertisements; cannot judge size (shoes/clothes); cannot feel fabric quality; high risk of cyber crimes.
• **For Sellers:** Fully dependent on power and Internet; losses from returned items; intense online competition; physical health strain (eye pain, backache); complicated registrations.

■■ Disadvantages for the Buyers	■■ Disadvantages for the Sellers
• No personal face-to-face contact with seller. • Misleading ads cause wrong item purchases. • Cannot judge exact size of dresses and shoes. • Cannot touch or feel the fabric quality. • High danger of cyber crime & card scams.	• 100% dependent on power and Internet connectivity. • Unexpected financial losses from returned goods. • Extremely competitive; hard to stand out. • Long screen hours cause eye strain & body ache. • Complicated online registration processes.

═■ WORK TO DO 10: Problem Buster Match-Up

1. Younus's Eid dress was too large:	**Cannot judge the size of clothing online**
2. Grandma lost 35,000 Taka from her card:	**Danger of cyber crime and online card fraud**
3. Huzefa's shop was halted during the storm:	**Fully dependent on electricity and Internet connection**
4. Customers received clothes that felt rough:	**Cannot physically touch or check fabric quality**
5. Sellers getting eye pain after long screen hours:	**Physical stress from working long hours online**

═■ WORK TO DO 11: Solution Finder for Smart Kids (Write detailed solutions)

1. What should a buyer do if an item arrives damaged or incorrect?

Model Answer / Key: Take clear photos, contact customer support immediately, and request a return or replacement.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

2. How can online sellers and computer users protect their eyes during long screen hours?

Model Answer / Key: Take regular 20-20-20 eye breaks, blink often, maintain good lighting, and sit with straight posture.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

3. Why is it dangerous to click on unfamiliar discount links sent by strangers online?

Model Answer / Key: They may lead to phishing scam websites designed to steal bank card details or install viruses.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

4. Why do many online customers feel disappointed when an item looks different in real life than on screen?

Model Answer / Key: Lighting in photos can be misleading, and screen colors can look different from actual products.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Teacher's Check: [ ] Completed [ ] Good Effort [ ] Excellent ■■■ **Teacher's Sign: _____ Date: _____**

■ CHAPTER 4: E-COMMERCE • LESSON 7: MASTER CHAPTER REVIEW (Pages 41–47)

■ Chapter 4 Milestone:
Congratulations on completing Chapter 4! You now know what E-Commerce is, its real-world stories, its wonderful advantages, and the cautions to keep in mind. Test your mastery below!

═■ WORK TO DO 12: Circle the Correct Option (Multiple Choice Quiz)

1. E-Commerce stands for: a) Easy Commerce b) Electronic Commerce	b) Electronic Commerce
2. In E-Commerce, shopping is done using: a) The Internet b) Telegram	a) The Internet
3. Who opened a cloud kitchen to sell tasty food? a) Nilofer b) Madeeha	b) Madeeha
4. Which item was too big for Younus? a) Sherwani b) Shoes	a) Sherwani
5. Grandma suffered card fraud of: a) 350 Taka b) 35,000 Taka	b) 35,000 Taka
6. An advantage of E-Commerce for sellers is: a) Higher shop rent b) Bigger market	b) Bigger market

═■ WORK TO DO 13: Word Scramble Challenge

1. U B Y E R (Person who purchases goods) ➜	BUYER
2. L L E S E R (Person who sells goods) ➜	SELLER
3. T E N I R E N T (Global network powering online shops) ➜	INTERNET
4. V E L I R E D Y (Bringing parcels to your door) ➜	DELIVERY
5. A R U D F (Dishonest online scam) ➜	FRAUD

═■ WORK TO DO 14: Match the Column (Concepts & Meaning)

Column A: Cloud Kitchen	Column B: Home food cooked and sold online
Column A: Cash on Delivery (COD)	Column B: Paying cash after receiving item at door
Column A: Power Cut / Storm	Column B: Danger that stops online store operations
Column A: 35,000 Taka Loss	Column B: Grandma's online card fraud incident

═■ WORK TO DO 15: Chapter Reflection & Golden Takeaway (Write below)

Write one sentence describing what you like most about online shopping:

Model Answer / Key: Online shopping lets us buy things from home easily, saving time and energy.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Write one big lesson you learned about staying safe while buying online:

Model Answer / Key: Never buy without parents' permission, check reviews, and never share bank card details.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Teacher's Check: [ ] Completed [ ] Good Effort [ ] Excellent ■■■

Teacher's Sign: _____ **Date:** _____

■■ PART 2: FUN SET • LESSON 8: DIGITAL ETHICS & SAFETY (Pages 49–50)

■ Ethics & Safety Reminder (Book Page 49):
The digital world needs rules and superheroes! We must stay ethical and recognize threats:
• **Cyber Police:** Law enforcers who catch online criminals.
• **Cyber Bullying:** Threatening or teasing people online (symbolized by a charging wild Bull).
• **Software Piracy:** Stealing, illegally copying, and selling paid software (symbolized by a Pirate).

═■ WORK TO DO 16: Symbol Association & Meaning (Page 49)

1. Why is a Pirate symbol used to represent Software Piracy?	**Pirates steal ships; software pirates illegally copy and sell software**
2. Why is a fierce Bull symbol used to represent Cyber Bullying?	**Like an aggressive bull hurting others, cyber bullies hurt people online**
3. Who protects innocent Internet users from cyber criminals?	**Cyber Police and law enforcement officers**

═■ WORK TO DO 17: Word Box Hunter (Page 50)

Box 1: H - A - C - K - E - R ➜	**HACKER (gains unauthorized access to computers)**
Box 2: P - I - R - A - C - Y ➜	**PIRACY (illegal copying and selling of software)**
Box 3: B - U - L - L - Y ➜	**BULLY (threatens or teases people online)**
Box 4: P - O - L - I - C - E ➜	**POLICE (law enforcers maintaining cyber safety)**

═■ WORK TO DO 18: Golden Rules of Cyber Safety (Write your answers)

What should you do immediately if someone sends mean or threatening messages online?

Model Answer / Key: Do not reply; block the sender, take screenshots, and tell parents or a teacher immediately.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Why is it wrong to copy and share paid software without buying a proper licence?

Model Answer / Key: It cheats the software developers who worked hard to create it, and it is illegal piracy.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Teacher's Check: [ ] Completed [ ] Good Effort [ ] Excellent ■■■ **Teacher's Sign: _____ Date: _____**

■■ PART 2: FUN SET • LESSON 9: SPY DETECTIVE CHALLENGE (Page 51)

■ **Spy Movie Mission (Book Page 51):**
Mehraba and Saaira love spy movies! Meherba sent five secret sentences containing tricky mistakes to Saaira. Help Agent Saaira use her detective magnifying glass to spot the errors and write the correct sentences!

═■ WORK TO DO 19: Spot the Mistake & Rewrite the Sentences (Page 51)

i. 'Computers around the world are connected using wide city network.'

Model Answer / Key: Connected using Wide Area Network (WAN) / the Internet
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

ii. 'Rabeya used to do offline shopping using the Internet.'

Model Answer / Key: Rabeya used to do online shopping using the Internet
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

iii. 'Suhani wrote an email on paper.'

Model Answer / Key: Suhani wrote an email on a computer / digital device
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

iv. 'Zoya in Dhaka and Zahid in Sylhet connected computers using LAN.'

Model Answer / Key: Connected using WAN / Internet (LAN is for a single building)
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

v. 'Computers can be used only for doing calculations.'

Model Answer / Key: Computers are used for typing, drawing, games, music, & internet
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

═■ WORK TO DO 20: Network Detective Badge

1. What network connects computers within one single room or school?	**LAN (Local Area Network)**
2. What network connects computers across different cities and countries?	**WAN (Wide Area Network) / Internet**
3. Can computers be used to listen to music and design greeting cards? [YES / NO]	**YES (Computers are versatile multi-purpose machines)**

Teacher's Check: [ ] Completed [ ] Good Effort [ ] Excellent ■■■

Teacher's Sign: _____ Date: _____

■ CHAPTER 5A: MS WORD • LESSON 10: THE WORD WINDOW (Pages 52–53)

■ **Word Processing & Window Parts (Pages 52–53):**
• **Word Processing** is using a computer to create, edit, format, and print documents.
• **Word Processor:** Software that helps us type matter on a computer (e.g. Microsoft Word).
• The MS Word Window has 6 main components that help us create beautiful documents!

Component	Screen Location	Function / Job
1. Quick Access Toolbar	Top-Left corner	Contains quick one-click shortcuts: Save, Undo, Redo
2. Title Bar	Very top center	Displays the name of the document and program (MS Word)
3. Ribbon	Below Title Bar	Wide strip holding Tabs (Home, Insert) and tool button Groups
4. Document Area	Center workspace	The large blank white typing page with blinking cursor
5. Rulers	Top and left margins	Horizontal and vertical measurement scales for margins
6. Scroll Bar	Right and bottom edge	Sliders used to scroll document view up, down, left, right

═■ WORK TO DO 21: Word Window Detective Match-Up

1. Where do you look to see the name of your file?	**Title Bar**
2. Where are the quick Save, Undo, and Redo buttons found?	**Quick Access Toolbar**
3. Where is the blinking cursor where you type your words?	**Document Area**
4. What tool helps you slide down a 10-page document?	**Vertical Scroll Bar**
5. What tool helps you set top and side page margins?	**Rulers**
6. Where are formatting buttons organized under Home Tab?	**Ribbon**

═■ WORK TO DO 22: Word Window Mastery Check

Which part of the MS Word window do you use to quickly undo a mistake without touching the keyboard?

Model Answer / Key: The Quick Access Toolbar (click the curved Undo arrow icon).
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

What is the blinking vertical line on the document area called, and what does it show?

Model Answer / Key: The cursor; it shows the exact position where your next typed letter will appear.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Why does MS Word have both a horizontal ruler and a vertical ruler?

Model Answer / Key: Horizontal ruler sets left and right margins; vertical ruler sets top and bottom page margins.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Teacher's Check: [ ] Completed [ ] Good Effort [ ] Excellent ■■■

Teacher's Sign: _____ **Date:** _____

■ CHAPTER 5A: MS WORD • LESSON 11: FORMATTING VS EDITING (Page 53)

■ **Topic 5A.3 The Great Distinction:**
• **Formatting:** Changing the *style, appearance, and design* of text to make it attractive (e.g., changing word colour from black to red, changing font size).
• **Editing:** Changing the *actual text content*, which includes correcting spelling errors, adding new words, or deleting sentences.

■ FORMATTING EXAMPLE (Appearance)	═■ EDITING EXAMPLE (Content)
Writing: 'My School' ➜ Changed to: **My School** (Bold & Red) *Result: Text looks attractive! (Formatting)*	Writing: 'I lov my schol' ➜ Corrected to: 'I love my school' *Result: Mistakes are fixed! (Editing)*

═■ WORK TO DO 23: Detective Sort — Is it Formatting or Editing?

1. Changing the font colour from black to purple:	**Formatting**
2. Correcting the spelling of 'computr' to 'computer':	**Editing**
3. Making the title of your poem Bold and Underlined:	**Formatting**
4. Deleting an extra unwanted sentence from a paragraph:	**Editing**
5. Changing text size from 11 pt to 18 pt:	**Formatting**
6. Inserting a missing word into a sentence:	**Editing**
7. Aligning a paragraph to Center alignment:	**Formatting**
8. Changing normal text to slanted *Italics*:	**Formatting**

═■ WORK TO DO 24: Write the Definitions & Spot the Bug

1. Define 'Formatting' in MS Word:

Model Answer / Key: Changing the appearance, color, font size, and style to make text attractive.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

2. Define 'Editing' in MS Word:

Model Answer / Key: Changing text content, correcting spelling errors, or adding and deleting words.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

3. If you fix a typo in your name, are you formatting or editing?

Model Answer / Key: Editing, because you are modifying and correcting the actual text letters.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Teacher's Check: [ ] Completed [ ] Good Effort [ ] Excellent ■■■ **Teacher's Sign: _____ Date: _____**

■ CHAPTER 5A: MS WORD • LESSON 12: FONT TOOLS & LINE SPACING (Pages 54–55)

■ **Topic 5A.4 Concepts — Font Group & Paragraph Margins:**
• **Font Group (Home Tab):** Bold [B], Italics [I], Underline [U], Font Face, Font Size, Font Color [A].
• **Alignment:** Left (left edge), Center (middle), Right (right edge), Justify (both edges even).
• **Line Spacing:** Spaces out lines of text vertically (1.0, 1.15, 1.5, 2.0) in Paragraph group.

Bold [B] **Makes text darker & thicker**	**Italics [I]** **Slants text to the right**	**Underline [U]** **Draws a line under text**	**Font Colour [A]** **Changes color of letters**
Align Left Aligns to left margin	**Center** Places text in middle	**Align Right** Aligns to right margin	**Justify** Even on both margins

═■ WORK TO DO 25: Button Icon to Function Match

1. Bold [B] button:	**Makes selected text darker and thicker**
2. Italics [I] button:	**Slants / tilts selected text to the right**
3. Underline [U] button:	**Draws a line directly underneath selected text**
4. Font Colour [A] button:	**Changes the color of the selected letters**
5. Font Size box:	**Increases or decreases the size of letters**
6. Font Face box:	**Changes the handwriting / typeface style of text**

═■ WORK TO DO 26: Alignment Action Challenge

1. Best alignment for a Poem Title or Certificate heading:	**Center Alignment**
2. Standard alignment for everyday English letters and notes:	**Align Text Left**
3. Best alignment for textbook paragraphs to keep margins even:	**Justify Alignment**
4. Alignment used for dates and signatures on the right side:	**Align Text Right**

═■ WORK TO DO 27: Line Spacing Detective (Explain clearly)

What is the visual difference between Line Spacing 1.0 and Line Spacing 2.0?

Model Answer / Key: 1.0 keeps text lines tight and single-spaced; 2.0 leaves double vertical space between lines.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Where in the MS Word window do you click to change Line Spacing?

Model Answer / Key: Home Tab ➜ Paragraph Group ➜ Line and Paragraph Spacing button.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Why do teachers often ask students to use 1.5 line spacing when typing essays?

Model Answer / Key: It leaves plenty of comfortable space between lines for easy reading and marking notes.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

Teacher's Check: [ ] Completed [ ] Good Effort [ ] Excellent ■■■ **Teacher's Sign: _____ Date: _____**

■ CHAPTER 5A: MS WORD • LESSON 13: ERASING KEYS & SHORTCUTS (Pages 56–57)

■ **Topic 5A.5 & 5A.6 Key Rules:**
• **Backspace Key:** Erases characters to the **LEFT** of the cursor (towards the beginning).
• **Delete Key:** Erases characters to the **RIGHT** of the cursor (towards the end).
• **Undo (Ctrl + Z):** Reverses your last action. **Redo (Ctrl + Y):** Restores the undone action.

■■ BACKSPACE KEY	CURSOR | POSITION	DELETE KEY ➡■
Erases to the **LEFT** (Towards start of document)	**B O O | K** *Cursor is between O and K*	Erases to the **RIGHT** (Towards end of document)
Pressing Backspace removes: 'O'	Position stays active	**Pressing Delete removes: 'K'**

■ CHAPTER 5A: MS WORD • LESSON 14: LAB PROJECTS (Pages 57–60)

■ Practical Lab Workshop:
In your textbook, you learned about beautiful heritage sites of Bangladesh (Rajshahi, Ghazipur, Rangpur, Bagerhat, and Sajek Valley). Follow the formatting recipes below during your computer practical class!

■■ Lab Project 1: 'Rajshahi — The Silk City' (Textbook Page 57)

Typing Text: *'Rajshahi is famous for its silk industries. Fine and cheap silk products have earned it the nickname Silk City. Rajshahi is also well known for Mango and Lychee.'*
Formatting Recipe: 1. Paragraph Justify Alignment. 2. Title Bold & Dark Red. 3. Highlight 'Silk City' in Italics. 4. Line spacing 1.5.

■■ Lab Project 2: 'Sajek Valley — Roof of Rangamati' (Textbook Page 60)

Typing Text: *'Sajek Valley is 2,000 feet above sea level. Sajek Valley is known as the Queen of Hills and Roof of Rangamati.'*
Formatting Recipe: 1. Title Center Aligned, Size 18 pt & Underlined. 2. Body font Dark Green. 3. Save with Ctrl + S.

═■ WORK TO DO 32: Step-by-Step Lab Procedure Writing

How do you select text, make it Bold, and Center Align it in MS Word?

Model Answer / Key: Click and drag across the words with the mouse, then click the 'B' icon and Center alignment icon.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

What shortcut key must you press often to ensure your work is never lost?

Model Answer / Key: Press Ctrl + S frequently to save updates to the document.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

How do you change the line spacing of a typed paragraph to 1.5?

Model Answer / Key: Select the paragraph, click the Line Spacing button in Paragraph group, and choose 1.5.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)
