Concept 4: Microphone, Webcam & Laptop vs. Desktop

Microphone & Webcam:

• **Microphone (Mic):** Used to **record voice** and sing songs into the computer.
• **Webcam:** A small digital video camera that lets friends and teachers **see your face** during online classes!

Desktop vs. Laptop:

• **Desktop:** Big, heavy, stays on a desk, parts connected by wires, non-portable.
• **Laptop:** Small, light, runs on rechargeable battery, has built-in screen, camera, keyboard and **Touchpad**!

Activity 4.1: Laptop or Desktop? Put a Tick (✓) in the Box

Feature / Clue	Desktop	Laptop
1. Can be easily carried in a school backpack	[ ]	[ ]
