Concept 5: What is Logic? (Every Action Has a Reason!)

Logic means thinking with a good reason! In our daily life, we make smart decisions based on what is happening around us.

🌟 **Golden Rule of Logic (From Textbook Page 34):**
"Whenever there is an ACTION, there is a REASON behind it!"

- **Action:** Wearing a raincoat.
- **Reason:** Because it is raining outside!

- **Action:** Drinking water from a glass.
- **Reason:** Because I am thirsty!

Activity 5.1: Match the Action to its Logical Reason

(A) Wearing a thick woollen jacket	1. [ ] Because I am feeling hungry
(B) Turning on the ceiling fan	2. [ ] Because it is freezing in winter
(C) Eating a sandwich	3. [ ] Because hands are dirty before food
(D) Going to bed with a blanket	4. [ ] Because it is hot in summer
(E) Washing hands with soap	5. [ ] Because I am sleepy at night

Activity 5.2: Complete the Sentence with a Logical Word (From Pg 34–35)

1. When it is going to rain outside, I will carry my _____ (**raincoat** / **sunglasses**).
2. In hot summer, villagers are sweating. What dress is good? _____ (**light clothes** / **sweater**).
3. It is freezing cold in the room. What will help you? _____ (**heater** / **fan**).

Activity 5.3: Think & Answer (Why do we do this?)

1. Why do we brush our teeth in the morning? → Reason: To keep our teeth _____ ! (**clean** / **dirty**)
2. Why do we shut down computer after class? → Reason: To save _____ ! (**electricity** / **paper**)

🎨 Activity 5.4: Draw What You Need on a Rainy Day! (From Textbook Pg 34)

It is pouring rain outside! Draw an umbrella or a raincoat to keep dry:

[☂ Draw Raincoat or Umbrella Here]
