■ CHAPTER 4: E-COMMERCE • LESSON 4: CAUTIONS & ONLINE FRAUD (Pages 43 & 45)

■ Topic 4.2 Concepts — Sizing Mistakes & Financial Risks:
Shopping online comes with two serious risks: you cannot try clothes before buying, and financial scams can happen if credit card details are exposed or misused!

■ Story 5: Younus's Eid Sherwani Grief (Textbook Page 43)

Younus is a stylish boy who wanted to dress nicely for Eid. He ordered a beautiful sherwani online. When it arrived, it was much too big! Sadly, he could not wear it for Eid. Even though he could return it, his festive disappointment was painful.

■ Story 6: Tumpa's Grandma's Card Horror (Textbook Page 45)

Tumpa's grandma wanted to gift her a doll on her birthday. She paid online with her credit card. But to her horror, instead of 350 Taka, 35,000 Taka was deducted from her bank account due to online fraud!

═■ WORK TO DO 6: Case Study Analysis (Write your answers below)

1. What problem did Younus face with his online sherwani, and why couldn't he wear it?

Model Answer / Key: The sherwani was bigger in size than expected, so it did not fit him on Eid.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

2. Why is buying clothes online harder than buying storybooks online?

Model Answer / Key: You cannot physically try on clothes or touch the fabric to check its quality.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

3. How much money was supposed to be paid for Tumpa's doll vs stolen by fraud?

Model Answer / Key: 350 Taka was the cost; 35,000 Taka was stolen from the account by online fraudsters.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

4. What should parents and kids do to protect their money when buying things online?

Model Answer / Key: Only shop on verified websites, never share card details, and always ask adults.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)

5. What is the safest payment method for families when trying a new online shop?

Model Answer / Key: Cash on Delivery (COD), where you inspect the parcel before paying cash.
(Teacher Evaluation: Award full credit for equivalent correct explanation in student's own words.)
