CHAPTER 4 · LESSON 1: INTRODUCTION TO E-COMMERCE

Concept: E-Commerce (Electronic Commerce) means buying and selling products, goods, and services over the Internet using digital devices.

Activity 1: Traditional Shopping vs E-Commerce

1. Shopping hours are 24 hours a day, 7 days a week: [Traditional / E-Commerce]
2. You can physically touch and try on the clothes before paying: [Traditional / E-Commerce]
3. Items are delivered straight to your home doorstep: [Traditional / E-Commerce]
4. Requires traveling to the market or shopping mall: [Traditional / E-Commerce]

Activity 2: Word Search & Meaning

Define 'Digital Shopping Cart' in your own words:

_____
